

Fellowes has been providing government, higher education, and non-profit organizations with the tools to create high performance work environments for over 30 years.

Celebrating its 106th year under the private ownership and executive leadership of the Fellowes family, Fellowes is a global leader and trusted partner that provides product solutions to fulfill WorkLife needs. With its recent full brand expansion into Contract Interiors, Fellowes now offers one efficient, streamlined source for modular walls, furniture, commercial air purification and commercial-grade workspace products.

Known for our award-winning customer service and high-quality products, we make it easy for the public sector to get what they need to improve ergonomics and support technology through all areas of the workspace. Fellowes stands ready to help facilitate contracting objectives for your projects quickly and efficiently.

Serving at the Intersection of

Family

Innovation

Quality

Care

For over 100 years, we have treated our customers and employees as family – serving tirelessly and effectively to help them thrive. Our culture is set to be professionally rewarding, but also personally engaging.

We believe in combining an imaginative thought with a pragmatic approach to constantly outperform our current solutions, services and capabilities to transform how work gets done for an ever-changing world.

We invest in best in class facilities, tools, resources, engineering labs and development programs to deliver products that exceed industry quality standards.

As a "company with a conscience" we are dedicated to improving the lives of our customers, employees, communities, and planet. People are why and how we do what we do. Whether a customer or a teammate, there is the opportunity to have a positive impact.

Headquartered in Itasca, Illinois, USA,
Fellowes operates from 24 locations across the globe.
