The Process You Require

- **Competitively bid contract**
- **Solicitation advertised across Canada**
- **No minimum purchase limits**
- **Locally based field support**

THE SUPPORT SERVICES YOU WANT

- Turnkey complete accountability for the design assistance and installation of complex exterior roofing and waterproofing projects
- Extended service life of exterior roofing and waterproofing systems through active management of your repair, maintenance, and restoration needs
- Best-practice processes to ensure your exterior roofing and waterproofing systems meet or exceed their warranted service life
- Quality-controlled manufacturing combined with qualified local preauthorized contractors and full-service technical support throughout the entire project yields the industry's lowest warranty adjustment rate
- Comprehensive feasibility studies, including roof inspections, assessment of existing conditions, solution options with budgets, and specification assistance for your chosen solution
- Online roof asset management database services
- Coordination of comprehensive engineering services, including roof loads, wind uplift computations and shop drawings

About Kinetic GPO

Follow these steps to sign up with Kinetic GPO today!

Kinetic GPO is a Cooperative Purchasing Organization established for Broader Public Sector and MASH entities across Canada, with the specific purpose of reducing procurement cost by leveraging the purchasing power of group buying and saving its members' time by simplifying steps to procure.
