Pocket Nurse® and Kinetic GPO

Pocket Nurse® is proud to offer a partnership contract with Kinetic GPO, a cooperative purchasing organization established for the Broader Public Sector (BPS) and Municipal, Academic, Schools, and Hospitals (MASH) entities, as well as non-profits, across Canada. Kinetic GPO operates with the specific purpose of reducing procurement costs by leveraging the purchasing power of group buying and saving our members time by simplifying steps to procure.

How Does Group Purchasing Work and Why Participate?

Contracts are competitively bid, evaluated, and awarded by a using a fair, open, and transparent competitive solicitation process that ensures compliance with the Canadian Free Trade Agreement (CFTA) and other regional and national trade agreements.

Participating ensures compliance and saves time and money in addition to providing long-term value, national expertise, and commitment to best practices.
