RFSO 20-01 Transportation, Golf Vehicles and Related Accessories, Equipment, Parts, and Services: Awarded to Club Car LLC

Kinetic GPO is a cooperative purchasing organization established for Public Sector and MASH entities across Canada, with the specific purpose of reducing procurement cost by leveraging the purchasing power of group buying and saving our members time by simplifying steps to procure.

Group Purchasing Organizations (GPO) are widely used in Canada especially in the medical health and education sectors. Kinetic is advancing the purchasing power of entities across Canada by taking what has worked, expanding on those strategies and offering their portfolio to a full range of Public Sector and MASH entities.

All Kinetic GPO contracts are awarded using a competitive selection process consistent with Chapter 5 of the Canadian Free Trade Agreement (CFTA) and other international trade agreements, including the Canada-EU Comprehensive Economic and Trade Agreement (CETA).
