

Technology Solutions for Canada, by Canadians

CDW Canada has been a trusted technology partner in the Canadian market for over two decades. The CDW Canada team is made up of Canadians, supporting Canadian businesses and individuals.

Unwavering Commitment, Unmatched Local Expertise

Our commitment to Canadian businesses is strong, with unmatched local presence, diverse suppliers and a dedicated team of **1,200 Canadians**, we ensure seamless access to cutting-edge IT solutions.

- With offices and offerings spanning from coast to coast, we deliver technology solutions wherever you are, ensuring seamless support and services across Canada.
- Our Canadian head office is in **Ontario**, with eight other offices across Canada including **Ottawa, Vancouver, Victoria, Calgary, Edmonton** and **Winnipeg**.
- With a broad and diverse supplier network and a strong commitment to local procurement, we help customers navigate evolving market challenges with reliable solutions.
- As a leader in **security and services** in Canada, we are actively developing and innovating our offering in this space, ensuring compliance with local regulations and providing tailored solutions that address the security needs of Canadian businesses.

Empowering Canadian Talent to Drive Innovation

CDW Canada invests in local talent to deliver expert service, combining global innovation with deep local knowledge to keep Canadian businesses competitive.

- Our 1,200 Canadian coworkers bring deep technical expertise and industry knowledge, ensuring businesses have local support tailored to their needs.
- We consistently invest in our teams through several first-of-their-kind specializations in Canada, ensuring we deliver forward-thinking IT solutions that keep our customers ahead of the curve.

Committed to Community: Driving Meaningful Impact Across Canada

CDW Canada is deeply embedded in Canadian communities, supporting local initiatives and organizations that drive meaningful impact here at home. We have consistently demonstrated this commitment by giving back to the communities we live and work in.

- Our internal commitment to grow in tandem with Canada's rich and diverse culture is mirrored in our external commitment to evolving customer needs and local impact work.
- We have long-standing partnerships with Canadian organizations. We have been proud partners of **SickKids Foundation** for the last 17 years.
- In 2024, Canadian coworkers raised a combined total of \$37,150 to support charities across Canada and support our local communities.
- Our UNITE Business Resources Group is unique to CDW Canada. It empowers our teams to make meaningful differences that enrich our internal culture and strengthen our valued ties with our communities across the country. The UNITE BRG has supported various initiatives like **Big Brothers Big sisters, Meals on Wheels, CIBC Run for the Cure** and various local food banks.

We have consistently supported our customers across the country through market changes.

- CDW Canada has been in the market for **22 years**. Canada is where we live, work and innovate.
- Our long-standing presence in the Canadian market has allowed us to evolve alongside our customers, helping them navigate digital transformation with confidence.

We do more than conduct business in Canada, we actively invest in the economy

By prioritizing strategic partnerships, supporting Indigenous and minority-owned businesses and expanding opportunities for local partners across the country.

- Our partnerships with organizations like the **Canadian Aboriginal and Minority Supplier Council (CAMSC)** and Women's Business Enterprises Canada (WBECA) help us expand opportunities for all.
- Through our collaboration with Indigenous-owned businesses like **ACT** and **iPSS**, we strengthen Canada's technology ecosystem while ensuring our customers have access to best-in-class cybersecurity and IT solutions.
- In 2024, CDW Canada was recognized as an Ontario business under the **Building Ontario Business Initiative Act (BOBIA)**. This legislation supports Ontario businesses by giving them priority in public sector contracts for goods and services under a certain threshold. This designation allows us to maximize our local presence, enhancing our contributions to the Ontario economy and reinforcing our commitment to community engagement.
